

## Fragolino rosso spago

### TYPE OF WINE

Aromatised wine-based drink

### DESCRIPTION

The sparkling wine, obtained with the secondary fermentation in pressure tanks (Charmant methods), is blended with all other ingredients according to a traditional receipt secretly transmitted by Contri's family from generation to generation.

### COLOUR

Purple red with cyclamen hints

### BOUQUET

Pleasant and fresh fruity notes with an intense aroma of gooseberries and freshly picked strawberries.

### TASTE

Its pleasantly sweet taste is suitable for all palates. Semi-sparkling, with a good acidity which makes this wine well balanced, it reminds the freshness of wild strawberries.

### FOOD PARING

It a fresh beverage, a thirst quenching drink, ideal for every occasion, with appetizers or with desserts at the end of the meal. Well suited to fruit salads, ice cream, cakes and dry pastry.

### SERVING SUGGESTION

Il Fragolino has to be served preferably chilled at 5-6°C, to appreciate the pleasant sweetness and the unmistakable fresh fruit note.
